QUALITY POLICY
CURRENT COMMUNICATIONS, LLC

STATEMENT OF POLICY

Current Communication's mission is to provide customer service of the highest quality. As a company we value quality, honesty, safety, and loyalty.

Current Communication's management team is comprised of over 20 years of combined experience, which includes all levels of installation, field engineering, job quoting, crew supervision, and area project management. Each assignment is handled with the skill and expertise which years of "hands on" experience produces.

Current Communications proudly states the following:

- Current Communications is fully aware of the quality and safety standards that must be met for each assignment.
- Current Communications is committed to customizing the needs of each customer on an individual basis with customer satisfaction as the main objective.
- Current Communications respects the importance of Network Reliability.
- Current Communications will ensure the efficiency of all assignments and will provide on-time performance.
- Current Communications encourages customer and employee comments to ensure that all customers are satisfied upon completion of each assignment.
- Current Communications is dedicated to continually monitor all processes in order to ensure accuracy, reliability, continual improvement, and customer satisfaction.

We are committed to building a work force of highly trained individuals in order to meet the demands of each customer.

Current Communications is confident that its' quality performance will prove to be unparalleled.
